Brothers and sisters I have none,
Yet this man’s father is my father’s son.
Who is the person in the photograph?
What is more important to know in structural engineering: to know what one knows or to know what one does not know?

Scores of associates and former students of Professor Mete Sozen were among those who paid tribute to the educator at the Sozen symposium and dinner in Tarpon Springs. Prior to the dinner, this group posed for a photo with Sozen (at center, seated in front row), now at Purdue University.
The Pobble who has no toes
Had once as many as we;
When they said, 'Some day you may lose them all;'
He replied, -- 'Fish fiddle de-dee!'
And his Aunt Jobiska made him drink,
Lavender water tinged with pink,
For she said, 'The World in general knows
There's nothing so good for a Pobble's toes!'
On a little piece of wood,
Mr. Spikky Sparrow stood;
Mrs. Sparrow sate close by,
A-making of an insect pie,
For her little children five,
In the nest and all alive,
Singing with a cheerful smile
To amuse them all the while,
    Twikkywikkywikky weep,
    Wikky bikky twikky tee,
Spikky bikky bee!

Mrs. Spikky Sparrow said,
'Spikky, Darling! in my head
Singing with a cheerful smile
To amuse them all the while,
Twikky wikky wikky wee,
Wikky bikky twikky tee,
Spikky bikky bee!
I AM TURKISH AND I CAN NOT KEEP CALM
Brothers and sisters I have none,

Yet this man’s father is my father’s son.
